Thankful.

That is the word and general theme for November every year because we celebrate Thanksgiving. This year I am extra thankful for all of our blessings in District 40 and for my husband's success in being elected to the City of Homestead Council.

Wishing everyone a lovely holiday season as we head back to Tallahassee for a couple more committee weeks before we convene in Legislative Session in January.

Sincerely,

Senator Ana Maria Rodriguez

Congratulations!

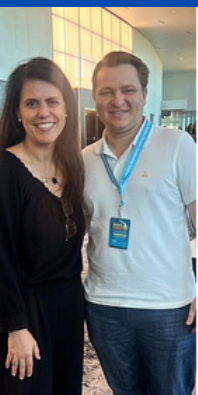

Congratulations to my beloved husband, Clemente, on his victory earlier this month. We are overwhelmed with pride and look forward to seeing what wonderful work you will do as Councilman for the City of Homestead.

Giving Back to the Community: A Century of Impact

The Rotary Club of Homestead, founded in January 1925, stands as a beacon of unwavering commitment and compassion. For nearly 100 years, we've dedicated ourselves to uplifting lives, bridging hearts, and creating lasting change.

Our Remarkable Contributions: Our legacy is etched in the fabric of Homestead as a testament to our collective resolve. With a staggering contribution in the last couple of years of over \$2 million, we've woven a safety net for those in need, paved the way for dreams, and provided a lifeline to the vulnerable.

Two events define our commitment:
The Prime Rib Dinner: An exquisite culinary affair where succulent cuts of prime rib meet laughter, conversation, and shared purpose. Each bite contributes to scholarships, mentorship programs, and educational opportunities for our future leaders.
The Stone Crab and Seafood Festival: Beneath the Homestead sky, we savor the sea breeze, lively chatter, and aroma of freshly caught seafood. Here, we raise funds for causes that matter, like the Patchers or the Soup Kitchen of Homestead, where hope is ladled out alongside nourishing meals.

Beyond Dollars: Our commitment extends beyond financial contributions. It reaches the bright-eyed students who receive Rotary scholarships - the architects, doctors, artists, and visionaries of tomorrow. Together, we shape a legacy that transcends generations.

As we approach our 100th Year anniversary, we celebrate not just an organization but a century of service, resilience, and community building.

Thank you for being part of this remarkable journey.
