9	PROGRAM: EDUCATION - FIXED CAPITAL OUTLAY	PROGRAM: EDUCATION - FIXED CAPITAL OUTLAY		
10	The Legislature hereby finds and determines that the items and sums designated in Specific Appropriations 15 through 19 and 22 through 24 from the Public Education Capital Outlay and Debt Service Trust Fund constitute authorized capital outlay projects within the meaning and as required by Article XII, section 9(a)(2) of the Florida Constitution, as amended, and any other law. In accordance therewith, the moneys in the following items are authorized to be expended for the enumerated authorized capital outlay projects.	The Legislature hereby finds and determines that the items and sums designated in Specific Appropriations 15 through 19 and 22 through 24B from the Public Education Capital Outlay and Debt Service Trust Fund constitute authorized capital outlay projects within the meaning and as required by Article XII, section 9(a)(2) of the Florida Constitution, as amended, and any other law. In accordance therewith, the moneys in the following items are authorized to be expended for the enumerated authorized capital outlay projects.	Line Item References will be updated based on budget decisions.	
11	The sum designated for each project is the maximum sum to be expended for each specified phase of the project from funds accruing under Article XII, section 9(a)(2) of the Florida Constitution. The scope of each project shall be planned so that the amounts specified shall not be exceeded, or any excess in costs shall be funded by sources other than this appropriation. Such excess costs may be funded from the Public Education Capital Outlay and Debt Service Trust Fund only as a result of fund transfers pursuant to section 216.292(4)(c), Florida Statutes. Each project shall be constructed on the site specified. If existing facilities and acquisition of new sites are a part of these projects, each such building and site must be certified to be free of contamination, asbestos, and other hazardous materials before the facility or site may be acquired. The provisions of section 216.301(2), Florida Statutes, shall apply to all capital outlay funds appropriated from the Public Education Capital Outlay and Debt Service Trust Fund for Fiscal Year 2024-2025 in Specific Appropriations 15 through 19 and 22 through 24. Financing mechanisms include any form of approved debt or bonds authorized by the Board of Governors.	Closed	
40	No state appropriation of funds will be associated with these projects. The Legislature has provided the Board of Governors general authority to consider debt financing for most classes of projects. However, certain athletic and commercial facilities require specific Legislative authorization as a prerequisite condition for these projects. Legislative authorization does not supersede any of the requirements for Board of Governors review and approval of all projects to be financed from debt, unless the project as proposed meets an exception in the Board of Governors Debt Management Guidelines or Public-Private Partnership Guidelines. 44	SECTION 11. Pursuant to section 1013.40, Florida Statutes, the specified Florida College System institutions are authorized to acquire or construct the following facilities from non-PECO sources, which could require general revenue funds for operation and maintenance. If existing facilities are part of these projects, each such building or site must be certified to be free of asbestos or other hazardous materials before the stated college may acquire or expend construction funds on the facility. If the property to be acquired is not adjacent to an existing approved center or campus, then all necessary approvals from the State Board of Education must be received before any funds may be expended to acquire the property.		Senate
